PROFESSIONAL SUMMARY

I am Abdul Hathi, a final-year Computer Science and Engineering student at Mohamed Sathak Engineering College, with strong interests in Data Science, Data Analytics and Web Development. I have completed a one-month internship at BICS Global in the Data Science domain, where I gained hands-on experience in Python, data analysis and real-world problem-solving. I am a hardworking and smart-working individual with strong leadership qualities, eager to apply my technical knowledge and adaptability to build a successful career in Data Science, Analytics and Web Technologies.

PROFESSIONAL EXPERIENCE

Data Science - Internship

India, Jul-Aug 2025

- Gained hands-on experience in Python programming, data analysis, and handling real-world datasets.
- Learned to apply data science techniques for problem-solving and decision-making.
- Worked under the guidance of supportive mentors in a collaborative, student-friendly environment.
- Improved analytical skills, adaptability, and teamwork, building a strong foundation for a career in Data Science.
- Explored data visualization tools and techniques to present insights clearly and effectively.
- Enhanced problem-solving and research skills by working on project-oriented tasks and case studies.
- Developed a better understanding of industry practices and workflows in the data science domain.

CERTIFICATIONS

Internship completion certificate

Jun-Aug 2025

IBM Data Fundamental certificate

Aug 2025

Skillup Introduction to Data Science

Aug 2025

HP Data Science & Analytics

Aug 2025

SKILLS

- **Programming & Data Science:** Python, Data Science, Data Analytics, Data Visualization
- **Web Development:** HTML, CSS, JavaScript
- **Tools & Platforms:** Jupyter Notebook, Git, Excel, Visualization Tools (Matplotlib, Pandas)
- **Soft Skills:** Leadership, Teamwork, Problem-Solving, Communication, Adaptability, Smart & Hard Working

EDUCATION

Mohamed sathak Engineering college

Kilakarai, Tamil Nadu

BE Computer Science & Engineering

Graduation Date: Jun 2026

Banu Matric Hr Sec school

Sikkal, Tamil Nadu

HSLC - 72.30%

Graduation Date: Jun 2022

Banu Matric Hr Sec school

Sikkal, Tamil Nadu

SSLC - 79.60%

Graduation Date: Aug 2020

LEADERSHIP EXPERIENCE

- **Smart India Hackathon (Team Leader):** Led a team of peers in problem-solving and project development, coordinating tasks and ensuring effective teamwork throughout the competition.
- **BYTZTORM'25 Hackathon (Team Leader):** Guided the team in brainstorming, coding, and presenting innovative solutions under time constraints, showcasing leadership and collaboration skills.
- **Seminar Presentation:** Delivered a seminar on [topic, if you want to specify], demonstrating strong communication, knowledge-sharing, and public speaking abilities.
